Registration

Based on survey information, parents have asked that we use the first come, first served method for our day camp registration again this year. We have slightly changed the process in the park for your safety and comfort. Please read the information below carefully and call us if you have any questions.

Registration will be held on Saturday, March 20 at 6 am in the Clubhouse. Registration is on a first come, first served basis. The park gates will open and remain open Friday evening through Saturday morning’s registration. You will be allowed to line up in the pool parking lot overnight in order to keep from parking on the street. A corridor of cones and signs will be set up in the parking lot so that cars cue up correctly.

There is a large field beside the parking lot that is available for tent set up and other recreational purposes. The restrooms by the pool parking lot at Shelter 1 will remain open. Campfires are not allowed.

At 6 am, numbers will be handed out to the parents in their cars in the order in which they are in line. Registration will begin promptly as parents arrive at the Clubhouse.

There must be one adult for each family being registered. Registering for more than one family is not allowed.

Following March 20, we will take registration by phone, mail or in person. Please call ahead (373-3805) before mailing in your deposit to make sure there are still spaces available. We will put names on a waiting list when we reach capacity.

Cancellation Policy

In order to receive a refund (minus the \$15 registration fee) you must cancel at least 14 days in advance.
